## DO YOU WANT TO KNOW MORE ABOUT OUR THE ORGANIZATION?

Dear Friends, Supporters and Sponsors of the Speechless Reconciliation,

We are happy to invite you to the celebration of the founding of a newly established organization called Speechless Reconciliation. The purpose of the event is also to raise funds to support the activities of this organization. The idea of the Speechless Reconciliation was born more than 3 years ago in the Rotary Club Prague International.

This event is a unique opportunity to support a program that has been supporting youth from orphanages and similar institutions for more than 3 years, and most importantly to enjoy an evening full of fun and networking with other supporters.

Speechless Reconciliation, as a program organized by members of the organization of the same name, was supported by His Excellency the President of the Senate of the Czech Republic Mr. Miloš Vystrčil for the third year and at the same time won the national round of the 2023 Charlemagne Prize for Youth organized by the European Parliament and the Charlemagne International Foundation in Aachen.

The Speechless Reconciliation program is an initiative that aims to support young people from orphanages and homes for children without proper parental care from more than 8 countries in their transition from an institution to an independent life. With your support, we will be able to continue to make a significant difference in the lives of those affected by life's unexpected circumstances.

**The event will take place on the 20th of April in the Kaiserštejn Palace from 18:00 to 23:00.**

During the program, you will have the opportunity to meet other supporters of our wonderful organization, members of the Speechless Reconciliation team, as well as alumni of our program. At the same time, you will have the opportunity to enjoy alcoholic and non-alcoholic drinks and snacks throughout the evening.

There will also be a raffle full of valuable prizes and an auction with many beautiful items that will be auctioned during the evening. For example, you can look forward to artworks by the artist Vladimír Šenkýra. You will also have the opportunity to listen to pianist Zuzana Wrana.

We hope you will join us for this special occasion and you will celebrate with us a newly created organization that has been changing lives since 2021.

To reserve a ticket, please fill out the registration form below. [Registration form](#). Subsequently, we will inform you how to make the ticket payment itself.

Thank you for your support and we look forward to seeing you!

Best regards,  
Matej Keka & Tim Belon
