

# Speechless Reconciliation NEWS

## Major steps forward and exciting recognition...

We're pleased to tell you that despite all the work that our team members are doing for our Ukraine projects, we have also made excellent progress in preparing this year's Speechless Reconciliation summer camp and more. We are almost ready to welcome up to 36 youngsters from 6 countries to the Beskydy Mountains in August 😊.

Since the project was launched just over a year ago it has gained such huge recognition and respect amongst Rotary clubs and SOS Children's Villages in the Balkans that we already have strong partners committed for the project this year. **In addition, the regional office of SOS Children's Villages responsible for their activities in 26 countries has approached us with the offer and strong interest in broader cooperation. This is indeed exciting recognition.**

**DONATE**

*Join us in our efforts to give the youngsters a fantastic time. We would love it if you would make a donation to help us achieve our mission: "Hope for a better life, hope for a better future, hope for a better community".*

## EDITORIAL

**Hello everyone!** We want to welcome you to our 2nd Newsletter. We are thrilled with what has come together over these last few weeks, and we are so grateful to see how many people are supporting us.

**We will be sharing a lot of exciting information in the upcoming months,** so keep an eye on our communication channels.

**Stand by for a major announcement about our 'online opportunities platform'!**

Take care & best regards,

*Your Speechless Reconciliation team*
