About Speechless Reconciliation

Our long term vision can only become reality with the strong commitment and active participation from our sponsors and supporters.

If you are interested in supporting the Speechless Reconciliation project and becoming a sponsor of our 2023 Summer Camp for Balkans orphans?

Please contact us at
hello@speechlessreconciliation.org

Speechless Reconciliation is a project founded by Matej Keka in February 2021 in partnership with the Rotary Club Prague International. Its short term goal is to organize a 10-days long summer camp for youngsters from houses for kids without parental care from 5 countries of the Western Balkans region in the Czech Republic with the topic of "If I could design my future, what would it look like?" and to follow this up with mentoring.

The long-term goal is to give hope to youngsters with disadvantaged backgrounds from houses for kids without parental care. "Hope for a better life, hope for a better future, hope for a better community."

To achieve that, we will offer them opportunities for professional and personal development, through engaging with different stakeholders such as Rotary International, companies, universities, and other organisations from different regions of Europe.

Yes this is so true...I will never forget this summer. I've learned so much things from you guys. I found myself and the most important I found you guys. ❤️❤️

I remember one day I was sad you asked me if I am okay. I didn't respond because I didn't want you to seem crying. After that you asked me again and gave me a cookie and that made me so happy.

I promise that I will work hard in school and yes you and your family have a very special place in my heart so will wait for the day that we are going to meet again. ❤️❤️❤️❤️

Thank you!
