About Speechless Reconciliation

Our long term vision can only become reality with the huge commitment and active contribution from our sponsors and partners. Thanks to their support, we are able to offer opportunities for professional and personal development to youngsters from houses for kids without parental care.

Are you also interested in supporting the Speechless Reconciliation program and get exposure as the sponsor of the program during the Ukraine edition?

Please contact us at
hello@speechlessreconciliation.org

Speechless Reconciliation is a program founded by Matej Keka in February 2021. Its short term goal was to organize a 9-days long developmental camp for youngsters from houses for kids without parental care from 6 countries of former Yugoslavia in the Czech Republic with the topic of “If I could design my future, what would it look like?”

Its long-term goal is to fulfil the hopes of youngsters with disadvantaged backgrounds from houses for kids without parental care. Hope for a better life, hope for a better future, hope for a better community.

To achieve that, we will offer them opportunities for professional and personal development, through engaging with different stakeholders such as Rotary International, companies, universities, and other organisations from different regions of Europe.
